Accordingly, We and the Named Insured agree as follows:

Limit of Liability: The limit of liability for loss under this policy shall be reduced by all losses incurred under any underlying policy.

Difference in Limits (DIL): In the event a underlying policy's limit of liability is exhausted, then any loss amount remaining to be paid under the applicable underlying policy shall be paid under this policy if the original loss is covered hereunder (and provided the aggregate limit of liability as specified in item " LIMITS OF INSURANCE" of the Schedule has not been exhausted).

Difference in Conditions (DIC): The terms and conditions of this policy will only apply to a claim brought under an underlying policy in the event that the terms and conditions set out herein are more favorable than those set forth in the applicable underlying policy.

Reimbursement: If any amounts paid to or on behalf of any of the insureds under the policies issued by Us or by affiliated insurers with USGIC cause the aggregate amount paid on policies to exceed the limit of liability of this policy for a single policy period, then for all such amounts in excess of limit of liability, the Named Insured shall reimburse Us upon written notice for reimbursement.

3. Suit Outside of United States, Canada or Puerto Rico

- c. If a "suit" is brought in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from defending the insured, the insured will initiate a defense of the "suit". We will reimburse the insured, under Supplementary Payments, for any reasonable and necessary expenses incurred for the defense of a "suit" seeking damages to which this insurance applies, that we would have paid had we been able to exercise our right and duty to defend. If the insured becomes legally obligated to pay sums because of damages to which this insurance applies in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from paying such sums on the insured's behalf, we will reimburse the insured for such sums.

An agreed settlement means a settlement and release of liability signed by us, the insured and

5. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

c. Primary Insurance

This insurance is primary. Our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in b .below.

d. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

6. Representations

b. By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

We will reimburse the insured, under Supplementary Payments, for any reasonable and necessary expenses incurred for the defense of a "suit" seeking damages to which this insurance applies, that we would have paid had we been able to exercise our right and duty to defend. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
