RAHUL GANDHI SLAMS AMIT SHAH OVER POLICE CRACKDOWN

Lok Sabha clears Bill to deal with exam leaks amid ruckus

ASAD REHMAN & ANONNA DUTT
New Delhi, July 29

WRAPPING UP A two-day debate punctuated by acrimonious exchanges as the Opposition mounted a sharp attack on the government over the police crackdown on student protesters in Delhi, the Lok Sabha on Wednesday passed the stringent Public Examination (Prevention of Unfair Means) Amendment Bill, 2026 by a voice vote amid sloganeering by the Opposition.

While Leader of Opposition Rahul Gandhi's remarks against Union Home Minister Amit Shah over the police crackdown led to stormy scenes with strong protests from the treasury benches, the government hailed the passage of the Bill. Union Minister Jitendra Singh, who replied to the debate, said it reflected the government's "openness to incorporate constructive inputs, learn from experience and further strengthen the law" to deal with exam paper leaks.

Shah, in a post on X, congratulated "every student in India" on the passage of the Bill, saying it "shields the dreams and aspirations of our youth by laying down iron-clad provisions imposing the harshest punishment on those who dare to breach the sanctity of public examinations". The Modi government, he said, "will spare no one who attempts to imperil the future of our students and will leave no stone unturned to ensure that they face the full wrath of the law".

Gandhi, on the other hand, demanded Shah's resignation. Earlier, while participating in the debate, accused Shah of "ordering police action" against students during the July 20 protests in Delhi.

Objecting to the remarks, Union Parliamentary Affairs Minister Kiren Rijiju demanded that Gandhi substantiate his allegations and apologise to the House.

"You are the Leader of the Opposition. Speak with seriousness. On what basis did you make this statement? How can he say that someone ordered firing? It is a breach of his own position and privilege," Rijiju said.

Speaker Om Birla also intervened, urging Gandhi to make statements based on facts and maintain the dignity of the House. Birla also said that some of Gandhi's remarks will be expunged from House records.

Speaking to reporters outside the House, Gandhi said there can be just "two options", one that the Home Minister "gave the orders" (for action against students), and second that the "Home Minister didn't know that firing will happen". He also asked why Shah had not been coming to the House.

Targeting Dharmendra Pradhan who resigned as Education Minister, Gandhi said, "Rajnath Singhji said we are not the UPA and our ministers never resign. He is right. The resignation of Pradhan is superficial because he never ran the education system. The Education Ministry is run by the RSS. The man who runs it is the OSD sitting in the minister's office."

Jitendra Singh, while replying to the debate on the Bill, also spoke of the "unparliamentary language" used by Gandhi. "I am surprised that the LoP doesn't know the basic parliamentary norms," he said.

Singh said the LoP did not seem to know that any order to fire a gun is given by a magistrate. "It has been clarified that shots were never fired, tear gas was used. When the gun was not fired, the question of who gave the order does not arise," he said.

Meta writes to govt, outlines rigorous safeguards for posts

META WROTE TO the government on Wednesday outlining the specifics of enhanced and rigorous safeguards it has now implemented for content posted by Prime Minister Narendra Modi and other prominent accounts.

Meta has informed the IT Ministry that posts by the PM and prominent accounts will have additional oversight on the platform and that multiple checks will take place at levels of senior company officials, sources said, citing the social media firm's communication to the ministry. Meta team is likely to meet government officials later this week or early next week over the PM's Facebook post issue.

The Centre on Tuesday summoned a top Meta official after PM's recent post addressing youth, promising stringent measures against paper leaks was briefly restricted by Facebook, and although Meta blamed it on a technical glitch and apologised, the IT Ministry found it "inadequate". —PTI
