### Admissibility of Claims - Personal Accident Cover For Owner-Driver

- The principle of indemnity is a basic rule of insurance that says the insurer will only pay for the actual loss suffered by the insured. The insurer will not pay for any loss that is not covered by the policy or for any loss that is not actually suffered by the insured.

- Examples of willful negligence  
Any driving under the influence of drug / alcohol or any other intoxicant can render the claim to be inadmissible.

The claims would be admissible based on the following principles

- Period – The validity of the Insurance policy will be checked to ensure that the insurance is in force. The system validations are in place to check the period of insurance and not allow any claim to be processed beyond coverage period
- Peril – The cause of loss based on which the claim is made should be covered.
- Property - The Deceased person should be insured under the policy. The Registered Owner Name on RC / Policy / Pan Card / Aadhar Card should match. In case of minor differences, the same needs to be endorsed. If the difference is major, the same would be sent for further deliberation.
- Place – The location of the loss should be covered.
- Insurable Interest-The Registered owner must be insured, and the policy needs to be in the same name and the physical position of the vehicle should remain with the registered owner. However, if physical ownership is changed by entering into some agreement or by transfer where policy is not transferred it is treated as breach of Insurable interest. And the claim can be denied if it breaches the timelines of 15 days from any such transfer of vehicle.
- Verification of Premium Receipt is carried out at Our end. When a Payment is made through cheque or online mode, there is a possibility of return due to various factors including server errors. If the Premium is not received in advance, the policy becomes void. Systems are in place to check this validation.
