b) Excludes demand of ₹ 67,892 lakhs raised by Income Tax Authorities for three financial years towards various industry wide issues including disallowance of expenses such as provision for IBNR, reinsurance premium paid to foreign reinsurance branches, admin fees paid to lead insurers, commission paid to reinsurance companies, certain marketing expenses, denial of exempt income, etc. The company has filed an appeal at Commissioner appeal level for all three financial years. The Company has been advised that its tax position on the matters is legally valid and the adopted tax position is legally tenable.			
c) Show-cause notices issued by various Government Authorities are not considered as an obligation. When any order or notice is raised by the authorities for which the Company is in appeal under adjudication, these are disclosed as contingent liability except in cases where the probability of any financial outflow is remote.			
<b>Note 2</b>			
The company is informed of imposing penalty ₹ 1,109 Lakhs (previous year ₹ 1,109 Lakhs) from Haryana State and penalty of ₹ 9,364 Lakhs (previous year ₹ 9,364) from Gujarat State for the alleged delay in settlement of crop claims to the farmers. Crop claims of eligible farmers of the Gujarat State have already been settled in March 2024, after receipt of premium subsidy from Central and State Governments in March 2024. The writ petition challenging the imposition of penalty by State Government of Haryana and State Government of Gujarat are sub-judice before respective High Courts. Considering the operational guidelines for PMFBY schemes and defense raised by the Company in Writs, the chance of penalty succeeding against the company is remote.
